From The Principal

Chinese Lion Dance
Gong xi, gong xi. Throughout the week, we’ve had a wonderful time learning about Lunar New Year traditions. We were proud to host our annual Lion Dance Ceremony on Tuesday to commemorate the Chinese Lunar New Year. We had one of the best Lion Dance troupes in Sydney, including a former school leader Winston, perform their amazingly athletic feats. Our Homebush West PS STARS enjoyed the excitement and were keen to pat the dancing lion. Our guests successfully ‘caught the lettuce’ and spoke kindly of our school.

We are thankful to our sponsors Larke Hoskins Honda, Homebush, for funding the event which sees us start the new school year in a prosperous, energetic and enjoyable way.
2016 Classes
It’s wonderful to see our Kindergarten students have such a successful start to their schooling. Their first few days have been smooth with very few tears as they are integrated into authentic learning experiences, routines and new friendships. All students across the school have been completing profiles, assessments and engaging with learning, getting to know teachers and each other.
As you may be aware, students from Kindergarten to Year 6 are currently in rotating groups working with each of the teachers in their Stage team and working with different combinations of students to ensure that when classes are finalised and formed (usually end of Week 3) we will have optimised the learning groups. All students in every stage complete a common, core program and syllabus and our teachers deliver the learning as a team.
Information regarding the following items will be available in the coming weeks;
• Stage equipment and resources
• Bring Your Own Device Program

Pancake Tuesday
Students and parents started their day with a delicious pancake, cooked up by our School Chaplain, local community members, Strathfield Rotary, and parents to make the celebration of “Lent” (40 days until Easter). The pancakes were sold for a “donation” of any amount, with the funds of $220 raised going to World Vision. What a lovely way to start the day.

Swimming Carnival and Fun Day - TOMORROW
Please be aware that all students who are 8 years and older will attend our Swimming Carnival and Fun Day at Cabarita Swimming Pool tomorrow, on Wednesday 10th February, at a cost of $12. This is an exciting day for our students, it presents significant learning opportunities both in and out of the water and it is lots of fun too! An information notice has been sent home and is available on the app. See below for details about what to bring.
Parking; Kiss and Ride Zones
Parking around our school is difficult. The answers to the parking challenges that most schools face include; arriving early, plan to park and walk, or have your child join the walking school bus in the afternoons. To avoid costly fines please pay close attention to the parking signs and conditions around our school. The council ranger and police highway patrol are monitoring drivers closely.

Please be aware that there are two ‘kiss and ride’ zones around our school located on Exeter Road and Tavistock Rd. These zones operate under the same conditions as ‘no parking’ zones. Kiss and ride zones require parents to remain within 3meters of their vehicle and you cannot remain in a ‘kiss and ride zone’ for longer than 2 minutes.

The penalty and fines for disobeying a ‘kiss and ride’ sign are 2 demerit points and $165 fine.

Staffing
We also welcome Ms Kyleanne Gillespie to Homebush West PS. She will be supporting Stage 3.

**Ice-cream Extravaganza**

On Tuesday, after recess the whole of Year 6 made ice-cream because Mrs Prouty was so kind to get all the ingredients for us.

The first thing we did was learn about the history of ice-cream. Do you know that there is a name for non-dairy ice-cream? For example, soft serves have no dairy so they are called ice-confectionery.

After that we watched how to make ice-cream with all the ingredients, for example, how many cups of milk, cream and how much of other ingredients to use. We were very lucky because Mrs Prouty pre-made ours.

Finally we put our pre-made ice-cream in a can of ice and salt and shook it. When the tin became too cold to hold, we rolled it on the ground. After fifteen minutes, we opened it and mine was nice, solid and delicious. We had a choice of putting on chocolate syrup; however, I had mine plain. It was divine.

I bet students in year 5 will have so much fun and enjoy eating ice-cream next year when they are in year 6. By Emily (Stage 3)

**Fun with ice-cream**

On the 2nd February, Mrs Prouty came to teach Year 6 how to make ice-cream.

First, she told us the ingredients and some facts about ice-cream. One of the facts was that an ice-cream that has no dairy in it is called ice confectionery and ice-cream that has dairy in it is called ice-cream. Once I heard that, I was amazed!

Then, she gave us a bag of ready-made custard and we put it in a tin can. After that, we put in six cups of ice and three handfuls of salt into a tin. Then we shook it and I threw it to my partner, Jasmine.

When we finished shaking it, we handed it over to Mr Prouty to open it and check if it was good to eat. It was! So, we ate it, it was nice and cold but it melted and melted. I enjoyed making ice-cream with Stage Three. YUM, YUM! By Kiruthika (Stage 3)

Summer PSSA is Upon Us!
"What a catch!" "A marvellous effort that!" Yes, it is that time of the Summer where PSSA will commence with Cricket and Softball. With the try outs completed last week and teams announced this week, there will be opportunity for a couple of training sessions before we 'Pitch' or 'Bowl' the first ball of the Summer! If your child is selected for one of the teams, it would be greatly appreciated if permission notes and payments are made as soon as possible. The first game of the season will be Friday the 19th February in week 4. The students really value and appreciate support from parents and carers so if you are available on a Friday afternoon, please see the respective coaches for venues and times of play.

School Leaders in Training
On Thursday the 4th February, twenty four Year 6 students attended Marie Bashir Public School for leadership training. The Leadership Day Program included a keynote address from international guest speaker Marcelle Bernard on effective public speaking. Marcelle shared the importance of facial expression, body language and confidence when addressing assemblies, in public speaking or debating to engage the audience.

Students also worked with other schools in team building exercises including constructing a newspaper bridge which could hold a student standing on top of it for five seconds! Thank you to our volunteer drivers for making the day a smooth and successful experience.

Homebush West Public School P&C Association
The P&C organises social activities, fundraising events and the uniform shop. This year and in previous years the P&C has organised social events such as the Halloween Disco and Fun Night, Easter Raffle, Mothers’ and Fathers’ Day Stalls, Pizza Day and Santa’s visit. These fun events and important services raise money for the school. The P&C also supports the work of Mrs Prouty, our School Chaplain.

We would like to thank the school community for their continued support of the events the P&C organises. There are many people who give their time, talents and effort to make Homebush West Public School a fantastic place to be.

Together in 2015, we raised over $5200 at the Halloween Fun Night; Father’s Day raised $2000; Mother’s Day raised $2000; and the Easter Raffle raised $1000.
The P&C has bought $5000 worth of Home Reader books from money raised this year and contributed towards the Chaplaincy program.

2015 has been a year of goodbyes as many active P&C members have left the school. This year, we will be looking for more people to join and get involved in the many activities. If you would like to get involved, please contact:

Chess
Chess tutoring started last Thursday 4 February 2016. Learn how to be a chess champion! Coaching for students at Homebush West Public School is held on Thursdays from 3:00pm – 4:00pm.
Chess is the world’s most loved board game. Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment! Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games, with personal feedback from the coach. Students earn merit awards by making checkmates, solving puzzles, or by displaying skills and positive qualities, which all good chess players strive to develop.

Please go to http://www.sydneyacademyofchess.co.au to enrol your child for lessons and to see what the fees and requirements may be. The sessions take place at HWPS and are on a Thursday from 3:00pm - 4:00pm.

If your child is interested in taking part, you can pick up an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
