InternaƟonal Women’s Day

Around the world many women and girls continue to face inequality and unjust treatment and there is still much to be done before women have equal access to opportunities. This year’s InternaƟonal Women’s Day focus is ‘Pledge for Parity’. Everyone – men and women – can pledge to take a concrete step to help achieve gender parity (equity) more quickly, whether to help women and girls achieve their ambitions, call for gender-balanced leadership, respect and value difference, develop more inclusive and flexible cultures or root out workplace bias.

We know from extensive internaƟonal research that education is the key for changing outcomes for women and girls and improving the outcomes for everyone within a community. This week, teachers have included some learning tasks in their programs researching the answers to questions such as:

- Who are the influential women in Australia?
- What is their contribuƟon to society, politics, the creative arts?
- What makes them successful?
- How can we ensure to be a nation free from bias and discrimination, including the freedom from discrimination of women, in our laws, policies, rules and behaviour?

We have a strong commitment to equity at our school including the strong focus on gender equity. Each student carries both the responsibility and privilege of being part of a society, a community and a school that values women and girls as equals and celebrates their contributions to our lives. Meet the Teacher
It was a great pleasure to host Open Classrooms and Parent Information Sessions on our annual Meet the Teacher Night. Stage Supervisors and their teams hope that you have been informed and resourced as we partner with you in educating your child. We hope that you are able to take up the many rich and varied opportunities offered at school. A survey will be available on the App to collect your feedback about the evening. This ensures we can improve the event for next year and beyond.

The NSW Premier’s Reading Challenge 2016

The NSW Premier’s Reading Challenge for 2015 opens on 7th March 2016. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

PRC Website: https://online.det.nsw.edu.au/prc/helpdesk.html

The Challenge is available for all NSW students in Kindergarten to Year 9, in government, independent, Catholic and home schools. At HWPS, K-2 students treat the books during learning time with their class teacher at school and Mrs Windon/Miss Branch complete their online entries for them. Stage 2 and Stage 3 students, using the PRC Website, enter their books at home using their own username and passwords.

Students must read a certain number of books to complete the Challenge:

Privacy Information

Two conditions of entering the Challenge are that students may receive a certificate and their name may appear on the Gold or Platinum Honour Roll. Certificates have the student’s name and school printed on them. The Honour Roll lists student names in the PRC website only. Names are listed in alphabetical order (not by school) and no other identifying features are included.

Students who do not wish to receive a certificate or have their name published on the Gold or Platinum Honour Roll (or whose parents/carers do not wish them to) should not register for the Challenge. These students may take part in the Challenge unofficially - they may use the PRC booklists and can seek recognition in their school community - but they cannot add any books to an online Student Reading Record.

If you have any questions regarding the challenge please feel free to contact Mrs Windon, Miss Branch or Mrs Hughes.

Removing head lice and nits
Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they’re not dangerous. Here’s everything you need to know to rid your kids of head lice and nits.

Thriller at Timbrell Park!
As the junior cricketers ventured onto Five Dock’s home ground Timbrell Park, there was a realisation that the windy conditions were going to be a significant factor in the outcome of the match today. After Captain Nikhil won the toss and decided to bat first, the Five Dock bowlers were immediately disoriented as the driving wind moved the cherry in the air to give our team valuable runs through Wides and No-Balls. The ever reliable Rohith capitalised on the wayward bowling by punching a ball outside leg stump for four runs! There were also solid batting efforts by Sanjay, Aarav and the little ‘pocket rocket’ Pravin. With a solid run total posted, our bowling attack went to work. The ‘Agile’ Abishek cleaned bowled one batsman and was able to effect an amazing run out as he stuck out his right hand to retrieve a well struck ball. Next up was Noah, who was unplayable with his fast-medium pacers. He claimed two wickets as he bowled a beautiful ’McGrath like’ line and length. A victory today was the result of some intense training and practice in the nets! Keep it up boys!

Senior Softball
Homebush West played Haberfield this week which saw another victory for our senior girls! We won 10 home runs to 4. Our player of the week was Varsha who hit a huge home run and also pitched brilliantly, particularly in the final innings. Both teams played in a great spirit and every player in the team put it a lot of effort and most importantly had loads of fun.

Until next week The Senior Girls Softball Team.
PSSA Junior T-ball
This week, the junior girls had some competition against their winning streak from Harberfield PS. The first inning saw both schools at a tie with 3 home runs each however after the third inning Homebush West won the game by 5 home runs. The girls showed fantastic sportsmanship as usual and were complimented for their wonderful behaviour. Well Done girls!

Parent Connect Group, Monday 21 March
Join us at our next a parent and carers morning tea, where parents can gather and connect. This will also be a place where parents can ask questions and learn from each other. We will meet outside the hub if weather permits. If raining we will meet in The Hub.

Congratulations to YMCA Homebush West OSHC
YMCA Homebush West OSHC recently went through the Assessment and Rating Process. This included a visit from NSW Regulatory Authority, The Department of Education and Communities. On Monday February 1st and Tuesday February 2nd an Assessment and Compliance Officer came to rate our service. The YMCA Homebush West OSHC was rated overall at Meeting National Quality Standard.
We were commended on our achievement in providing quality outcomes for children. In particular, the ways our educators have developed relationships with children and families over extended periods of time as well as the willingness our educators have to collaborate with families to enhance children’s learning and wellbeing.
Our team was very excited by the results. We have enjoyed being part of the Homebush West community and we will continue to reflect on current practice to maintain the quality outcomes. Thank you for your support!

Wrap With Love

Mrs Prouty and the HWPS Wrap With Love Knitting group would like to share this newsletter with the community.

Stop Press! Wrap with Love blankets now heading for Fiji

WORLD VISION REPORT

UGANDA: Blankets knitting communities together.

It’s hard to imagine that one woman in Australia knitting a small woolen square can change the world. But when combined with thousands of other squares knitted by thousands of other Wrap with Love volunteers, the impact is real, lasting and powerful.

In 2015, volunteers knitted and sewed 8,432 blankets for World Vision which were distributed in Uganda, Tanzania, the Democratic Republic of Congo, Malawi, Lesotho and Zambia.

In Uganda, six-year-old Peter is among 500 children in his community sleeping safe and warm under a knitted blanket, quite an improvement on the old cloth he tried to cover himself within bed at night.

“The new blanket is warm at night, I also like it because of its coloured squares,” explains Peter, who lives with his family in a village about 180 kilometres east of Uganda’s capital, Kampala.

Peter’s sister Dolokasi and their neighbours Joel and Sam also received a blanket each. Sam couldn’t wait to try his out. “I am covering myself with a kyikanta (a short, sleeveless cloth made from a woman’s wrap),” says Sam. “I was feeling cold at night and I would wake up very early in the morning to bask in the sun.”

Local nurse Helen says conditions including pneumonia and asthma are common among children in this community, where poverty makes it hard for families to afford essentials like warm blankets and medicines to treat respiratory illness.

Peter’s father, Michael, says he was waiting to earn enough from selling his maize harvest to buy blankets for his children. But thanks to Wrap with Love, he can spend those earnings on other household needs.

Perhaps the words of Archbishop Desmond Tutu best describe how Wrap with Love volunteers are bringing real, lasting change to children and families facing great hardship. “Do your little bits of good where you are, and it’s those little bits of good put together that overwhelm the world.”
